### PRODUCT OVERVIEW

The Red PVC Gloves are constructed from high-quality PVC, these gloves deliver excellent resistance against abrasions, oils, and mild chemicals, ensuring long-lasting wear. The smooth finish provides a secure grip in dry, wet, or oily conditions, while the knitted wrist cuff ensures a snug, comfortable fit that helps prevent debris ingress.

Designed with comfort and flexibility in mind, they offer reliable protection without compromising dexterity. A textured grip enhances control during handling, making these gloves suitable for demanding environments.

### KEY FEATURES

- Seamless Cotton Jersey cuff provides comfort, flexibility, and breathability.
- Durable PVC material with high abrasion resistance.
- Chemical resistance for reliable performance in harsh environments.
